AUGUST NEWSLETTER

ROCKET LAUNCH is Back!!!

When: Tuesday, August 16@5PM
starting with a BBQ

Where: Remote Control Airplane Field
(on Petrolia Line)

We provide the rocket models which you and your Little Brother build in advance. The models aren't difficult and you can even personalize yours, if you feel creative. What a blast! Then on August 16 we'll all meet at the airplane field for a delicious BBQ to be followed by some out of sight rocket launches. We promise you'll be amazed at how high your rocket can fly!

This activity is limited to the first 10 matches to sign up so call now!

We'll let you know when you can pick up your model.

THANK YOU GRAM

Wow! What a great time we had golfing at Greystone Golf Course! Our heartfelt thanks go out to the Stout family for so generously waiving the fees for our group and providing a nice meal to get us started. They've done this for us for many years now and we really appreciate it!

BIG BROTHERS NEEDED

It is always an ongoing goal at the Big Brothers office to get our Little Brother wait list numbers down! Our best source of recruiting has always been through word of mouth from those already involved and understand the benefits of this special friendship and male influence in a young boys life.

Should you know someone who you think would make a good Big Brother or who has shown an interest in Big Brothers please ask them to contact us or with their permission we can contact them.

Through the Big Brother program boys between the ages of 5 and 14 are given the opportunity to be matched and have a positive male influence in their life that they can look up to, count on have fun with and look to as a role model!

Your support is much appreciated!
