FREE DETROIT TIGERS BUS TRIP!!

When: Saturday, Sept. 10th Game starts @ 4:10 PM, departure around 2 PM

Game: Tigers vs Minnesota Twins

Cost: bus & tickets are FREE!! for Bigs & Littles

We still have a few spots left for the Tigers Baseball game, which includes a bus trip. Thanks to the Point Edward Optimist Club this trip is free for our Bigs and Littles! They plan to leave early because there may be an opportunity to meet some of the players before the game.

Children under 18 years old don't require a passport to go over the border but will require their birth certificate and a letter from the Little's mother indicating that you have permission to take her son to the Tigers game on that date.

Bigs require a passport. To expedite the bridge crossing please provide us with your name **as it appears on your passport and your passport number. We need this by Friday, Sept 2nd** in order to get pre-clearance at the border to speed things up.

Don't miss this amazing opportunity. Call and reserve your place now!!

Just a reminder that Big Brothers of Sarnia-Lambton's insurance coverage doesn't cover matches out of the country.

BOX SEATS TO SEE THE STINGS

When: Fri., Sept. 16 @ 7 PM

Where: RBC Centre - Community Suite

Big and Little Brothers get the VIP treatment at this Sting vs Windsor Spitfires exhibition game thanks to the generosity of City Council. The first 10 matches to register will have a bird's eye view to watch the game in style from the city's box seats. Let us know if you would like to go!

THANK YOU GRAM

Our thanks to Michael Chopican, our rocket expert, for helping us launch our rocket models literally out of sight! We couldn't do it without you!

September is Big Brother Month

Sarnia and Lambton County join communities across the country during the month of September in recognition of the important role Big Brother volunteers play in the lives of children. Through the Big Brother friendship, children are often exposed to new opportunities but more importantly gain a sense of self worth which impacts all aspects of their lives. The good you do is immeasurable. Big Brothers do make a difference! Lets not forget that the children describe their special friendship as being FUN as well. On behalf of the agency staff, Board of Directors, the mothers, and most importantly the children, we thank the volunteers in Big Brothers for their efforts and dedication.

Ever thought of becoming... A Big Brother or Couple Match!
